BabyLegs, a Division of United Legwear

November 2007-Februray 2010

Production Coordinator — Product developer for infants and children. Designed knitwear leg warmers, socks and tights. Prepared bit-mapped designs for jacquard manufacturing. Communicated with overseas factories. Managed all sample production, assured correct grading measurements and quality control. Designed packaging for products and instructed the put up for proper retail display. Collected data for UPC codes, SKU numbers and assisted in tracking purchase orders and shipments.

Graphics Production Specialist — Managed all photography from product and model photo shoots. Designed marketing materials including postcards, web ads, display ads, newsletters and web site art updates. Produced trade show materials including vinyl banners, posters, sales sheets, order forms and product catalogs.

Varsity Communications, Inc.

March, 1993-November 1997; June 2001-November 2007

Graphic Designer — Designed magazines, newspapers, catalogs, PowerPoint presentations, sponsorship recaps and proposals. Flowed copy, created logos, designed advertisements, mastheads, marketing flyers, brochures and rate cards. Prepared trade show both display items including posters and point of purchase cards. Assisted with design and programming for company and client web sites.

Photographer — Product photography for Buyer's Guide catalogs. Scenic photos used for magazine and logo design. Youth soccer player action portraits used for company stock photography library and creating clip art.

Artisans International

May 1999-2001

Owner and Creator — Started a unique, fair trade, import business. Represented artists from West Africa who fabricated clothing and jewelry per my custom order. Designed sketches of clothing to be tailored. Printed and framed portrait photography. Traveled to art shows and craft fairs selling merchandise and photographs.
